

MOBILE WORK PLATFORMS

Platforms provide a secure movable work space at a variety of heights above floor level. 800 lbs capacity. Rigid 1" square tubing. 4" rear casters provide mobility and rubber tipped legs add traction while in use. Steps are 7" deep. Perforated or Grip Strut Tread for slip-resistant footing. Meets OSHA standards.

ALUMINUM WORK PLATFORMS

Lightweight platform provides a stable and solid work surface that is both weather and corrosion resistant. 300 lbs capacity. Rigid 1" square tubing. 4" rear tilt-back casters provide mobility and rubber tipped legs add traction while in use. Solid ribbed extruded step or Grip Strut Tread for slip-resistant footing. Meets OSHA standards.
