

Presto ^{LIFTS}

WIDE-BODY LIFT TABLE - 230V

MATERIAL HANDLING

- Capacity: 8000 lbs.
- Lift Height: 70"
- Platform WxD: 54x86"

> DIRECT SHIP

DESCRIPTION:

These lift tables feature a wider base which makes them extremely stable. All-purpose PRESTO Wide-Body Lift Tables can accommodate platforms of up to five feet wide. Hand-held push-button control operates this dependable scissor lift. Platform is hinged for convenient access to cylinders, and is supported by 3/4" steel plate scissor legs. Heavy-duty hydraulic cylinders with chrome-plated rams include polyurethane seals. All rollers and pivot points have lifetime lubricated bearings.
